Discovering Evolution: VI. Science as a Process.

Larry Laudan "Prepared to concede that the theories of the day might eventually be refuted ... several late 18th century methodologists reasoned, [that if] there is no instant, immediate truth, we can at least hope to reach truth in the long run Even if the scientist's methods do not

Why Does Laudan's Confutation of Convergent Realism Fail?

SUMMARY In his paper "A Confutation of Convergent Realism", Larry Laudan offered one of the most powerful criticisms of scientific realism I defend here that although Laudan's criticism is right, this does not refute the realist position The thesis that Laudan confutes is a much stronger thesis than realist needs to maintain As I will

UNSURPASSABLE PHILOSOPHY S MAN 21ST CENTURY

Larry Laudan or Joseph Rouse 7) has a prescriptive and an eschatological dimension, just like dialectical materialism: it will necessarily come about, you must help it along, or else ... We are now in a position to understand why the problem of naturalism can be posed on two levels First, we can ask whether naturalism (in one or
